Three most common Hiking Trails in Bugaksan Mountain

Trail A

Difficulty: Easy | Chunchugwan to Cheongwadae Observatory Course | 2.18km | Duration: 1 hour

This course offers a panoramic view of Seoul's city center from the Cheongwadae Observatory. From here, Cheongwadae, Gyeongbokgung Palace, and Gwanghwamun Gate, all the way to Seoul City Hall, are visible at once.

Trail B

Difficulty: Intermediate | Baegakmaru to Changuimun Gate Course | 3.32km | Duration: 2 hours and 30 minutes

This course allows visitors to enjoy the urban landscape blended with a forest of trees while walking along the Seoul Hanyangdoseong Trail.

Trail C

Difficulty: Advanced | Malbawi to Changuimun Gate Course | 4km | Duration: 3 hours

One of the oldest hiking courses in Mt. Bugaksan, this trail offers a view of the beautiful Samcheong-dong, which is considered one of the most charming areas in Seoul.
